

Hidden Roads. Living Heritage.

2-5 OCTOBER 2026

BOSNIA & HERZEGOVINA

A WONDERFUL
TRAVEL
JOURNEY

Four golden days, combining cities, nature, history and memorable experiences.

It's more than luxury cars and hidden roads.

It's a journey through the colors, flavors and stories of Bosnia & Herzegovina, shared with a carefully selected circle of people.

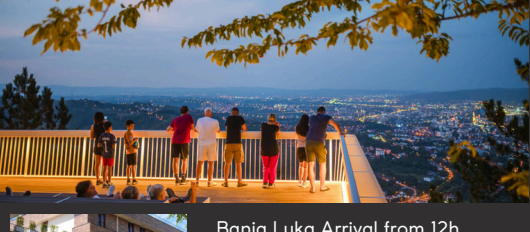

Where roads lead to living heritage, conversations turn into connections, and every stop becomes part of the story.

No crowds. No stages. Just extraordinary experiences, authentic places and unforgettable moments.

This time, it's personal.
